Dear Sir,

## ATTRACTIVE JOBS IN WINDOW DISPLAY

I am writing in the hope that you may be able to help us in our search for creative, young persons to undertake interesting window display work in many of our shops.

As you know, we are an international firm and trade in this country under the name Fashion Leather and Fur. We concentrate mainly on ladies and men's leather and suede garments (including shoes); also on all types of real fur. We are currently embarking on an entirely new and imaginative programme to bring all our windows - and consequently our national and international image right up - to - date.

We are very keen to involve in this venture young people with enthusiasm and flair for this sort of work.

There would be opportunity for working abroad in this field for young people who can speak German or French.

If you feel that any of your students might be interested in, or suitable for, this challenge then we would be delighted and grateful if you would let us know. We shall be pleased to arrange a local interview for anyone you recommend.

Please get in touch if you require any further details.

Yours faithfully,

.....  
Joan Greenwood
